Legislative Inte

IN THE SENATE OF THE

JULY 2010

SUBMITTED BY SPEAKER PRO TEMPORE JACKSON

AI

An Act To Amend the Ap Legislative

Whereas, the Legislative Interns are currently requ
Oversight in order to be approved;

Whereas, the structure of the Legislative Internsh

Whereas, Senators do not have to appear before S

Whereas, as per SAS V.501.03.a the position of A volunteer active learning individual who is being educated do not answer to the Associated Students directly;

Whereas, the individuals participating in the Legislative officers, and therefore are not paid with undergraduate

Whereas, because legislation and ideas created by Program must be sponsored by a senator and approved policy or monetary change by themselves;

Whereas, the process of Legislative Interns going time constraints on the program;

Whereas, the process of Legislative Interns going of the program by at least three weeks;

Whereas, due to elections in the Spring, the form

Fall Semester;

Whereas, the individuals participating in the Legislative Internship Program have the opportunity to learn the function of the Committee on Government and Public Administration, a committee is not only an unnecessarily intimidating process, but also is convoluted and non-linear;

Be it enacted by the Senate of the Associated Students, of the University of Northern Iowa, approval in order to become Legislative Interns;

Be it further enacted, SAS section I.101.06.9 be struck;

Be it further enacted, SAS section V.501.03.a be amended to read: "any active learning individual, who is being educated and participating in the Legislative Internship Program, throughout their service, shall be as depicted by the ASUN Constitution;

Be it further enacted, SAS section V.501.09.a be amended to read: "any program will be interviewed and approved by the Special Representative to the Senate;
