Senator Bradley,

Thank you for bringing it to my attention that an inability has arisen regarding the posting of meeting agendas in the Ansari Business Building due to a remodel.

This omission contradicts NRS241.023(a). However, I do not find this means any of the meetings which have occurred in the intervening period should be cancelled, nullified, or otherwise dismissed. This is because of NRS 241.011 which states, "It is the intent of the law that their (a public entity) actions be taken openly and that their deliberations be conducted openly." The meeting agendas were posted at the other places as provided by the Statutes of the Associated Students and were posted in at least two locations online. This demonstrates a commitment to maintaining the openness of ASUN meetings. Further, it would not be proper to post a meeting agenda in any other location except the prominent one in the Ansari Business Building which, due to the remodel, is unavailable

While any meetings which are held in the time between when the board was removed and when it is eventually replaced will be admissible under Nevada Open Meeting Law, I encourage our College of Business Senators to reach out to the Dean or appropriate administrative officer to find an acceptable alternate location for future agendas to be posted in the interim.

Respectfully,
