

Senate of the Associated Students of the University of Nevada

85th Session, 2017-2018

AN ACT TO CLARIFY THE ASUN INTERNSHIP QUALIFICATIONS

Bill Number: 17

Authored By: Speaker Jackson

Sponsored By: 2017-2018 Senate Government Assembly

Whereas, in its current wording, the Statutes of the Associated Students specify that interns must “meet the general qualifications to hold office depicted by the ASUN Constitution;”

Whereas, Article I Section B of the Constitution of the Associated Students specifies qualifications to hold on office in the association;

Whereas, Article I Section B Clause 1 states that “all members of the government of the Association, at time of their election or appointment and throughout their terms, shall meet the general qualification of maintaining a minimum 2.75 cumulative grade point average;”

Whereas, this cumulative grade point average has been defined as a University grade point average;

Whereas, this requirement would prevent incoming students who do not hold a University GPA from becoming legislative interns;

Be it enacted by the Senate of the Associated Students,

- a) SAS V.501.3.a shall be amended to read, “In General: A Legislative Intern serves as a volunteer active learning individual, who is being educated and prepared to hold office in ASUN. All members of the Legislative Internship program, throughout their service, shall meet the general qualifications to hold office depicted by the ASUN Constitution with the exception of incoming freshman who do not currently have a University GPA in their first semester.”

All members of the Judicial Internship Program, at the time of their approval and throughout their service, shall meet the general qualifications to hold office depicted by the ASUN Constitution with the exception of incoming freshman who do not currently have a University GPA in their first semester.”
