

Senate of the Associated Students of the University of Nevada

83rd Session, 2015-2016

A RESOLUTION IN SUPPORT OF AN AREA ON CAMPUS TO MEMORIALIZE STUDENTS WHO HAVE PASSED AWAY

Resolution Number: 166

Authored By: Senator Fienberg

Sponsored By: President Fabbi

Whereas, loss of fellow students at the University of Nevada impacts the entire community, including students, faculty, the student's family and friends;

Whereas, a peaceful and safe area where students can reflect and memorialize fellow students who have passed would be a positive and welcome addition to the campus by the students;

Whereas, a space for students to memorialize others would give symbolic permanency to a student's place as a member of the Wolf Pack community;

Whereas, a memorial space would be a beautiful addition to an already beautiful campus, and could include unique trees, benches, rocks and other items that could align nicely with the design of the rest of the campus;

Be it resolved by the Senate of the Associated Students that, the Senate encourages the development of an area on campus to memorialize students who have passed away;

Be it further resolved that, ASUN will be the main financial stakeholder for this project;

Be it further resolved that, a copy of this resolution is sent to President Marc Johnson, Vice President Shannon Ellis, Vice Provost Stacy Burton and Senior Planner for Facilities Jed Hammer.

Adopted in Senate on April 4th, 2016
