So you will be, like, checking that before you approve your applications to make sure that they have enough money in their tiers and stuff. It wasn't really a big deal for this one because they all started fresh. So, yeah, by the next funding hearing, we'll have the, like, club balance and the funding trackers.

Director Hess: Any questions for Assistant Director O'Brien? Assistant Director Gibson?

I've just been working on some logistics in terms of Fall Club Fair. As you know, it got moved from this Thursday to next Thursday. It will still be in the Quad, same time, 4 to 7 p.m.

If any clubs are reaching out, just let them know the event details are the same, they can still show up. I'll be finalizing and sending out hour-by-hour schedules this weekend.

In addition, please remember to refer to the Box when you're reviewing funding applications. We want to make sure our motions are consistent throughout and these applications are as accurate as possible. Don't hesitate to reach out to me or Nola if you need help reviewing.

Other than that, have a great Labor Day weekend, and I'll see you all Thursday at Club Fair.

Director Hess: We will now move into **agenda item six** reports of the assistant directors. Do you have a report, Nola?

Assistant Director O'Brien: Yes. Make sure that when you're approving on-campus applications, you only approve them for half. For example, the Lambda Phi Xi application for \$56.95 should have only been approved for \$28.48. Just make sure you say the half, the 50%, in your motion.

Assistant Director Gibson: The interns — we're going to try to meet next week for the first time. They're also going to help either set up or take down for Club Fair, so that's an opportunity to get to know them. If someone's helping you hold up a table, that's probably them — no one else would want to do that. Also, I need everyone's Canva "get to know me" graphic. If I don't get them, I'll just put your name on a random picture and it'll look kind of lame. That's it.

Director Hess: Jared told me they deposited \$2,140. So if they still need \$819 more, I'll email them.

Natalia Rasmussen: Okay, sounds good.

Director Hess: Thank you. Any other public comment?

None.

Assistant Director O'Brien: Guys, we only had one or two applications this week and there were still a lot of problems. I know it's still early in the year, but remember that all the resources you need are in the Box. If you're unsure about anything, just ask me or Madison or check the Box, especially when it comes to what we can and can't fund under operations. This is public record, so we need to be consistent. Also pay attention to tax items. Make sure you're reviewing spreadsheets carefully and aligning with policy.

Natalia Rasmussen: Yes. Good morning. For the record, my name is Natalia Rasmussen, I work in the accounting office. I have a few purchasing reminders before we begin. Only clubs that have completed

the ASUN renewal or registration process can receive club funding. Please ensure this process is complete before submitting a P-Card request if your funding request is approved. Once your funding request is approved, ensure that your ASUN club account has the necessary funds before submitting any travel, Amazon, or credit card requests. After meeting all funding requirements and receiving approval, submit your purchasing card or Amazon request form on PackLife, located under your organization's page in the forms section. Please allow 48 business hours for the Accounting Office and the Center for Student Engagement to update your purchasing card information after submitting the request.

Approved funds are available for use for 30 days from the date of approval. Please ensure that you submit your complete request at least 30 days before travel, allowing our business office sufficient time to approve it. You must get full approval before making any travel purchases such as airfare or conference registrations. When using the university purchasing card, please submit your itemized receipt within 24 hours of checking out the P-Card. Ensure that your receipt does not include tax, as donations and tips are capped at 20%. If you have any questions, please don't hesitate to contact the accounting office. Thank you.

Not completing these applications correctly creates more work for me, Nola, and the accounting office. This position was competitive, and I expect you to perform to a high standard.
