**S. B. 93 -**  
**AN ACT TO RENAME THE DIRECTOR OF**  
**EXECUTIVE AFFAIRS**

---

IN THE SENATE OF THE ASSOCIATED STUDENTS

---

MONTH DAY, 2025

SUBMITTED TO THE SENATE OF THE ASSOCIATED STUDENTS BY SPEAKER PRO TEMPORE MOSS, IN  
PARTNERSHIP WITH DIRECTOR DETRICK

---

*Whereas*, the Associated Students of the University of Nevada (ASUN) maintains a Director of the Executive Affairs, which currently serves as the Chief Advisor to the President; and

*Whereas*, ASUN strives to maintain organizational clarity and operational efficiency within the Executive Branch; and

*Whereas*, The position currently titled Director of Executive Affairs was formerly known as Chief of Staff, a title commonly used and recognized in the student governments and our local, state, and federal governments across the country; and

*Whereas*, the title of Chief of Staff more accurately reflects the responsibilities of the position within the office of the president that includes, internal management of executive departments and projects and management and implementation of the ASUN Internship Program; and

*Whereas*, the current title of Director of Executive Affairs has led to ambiguity and confusion regarding the role's purpose and responsibilities within the Office of the President and the Association;

*Whereas*, the title is relatively uncommon and may be inaccessible or unclear to students, as it does not reflect a widely recognized or standardized position within student government or professional settings; and

*Whereas*, restoring the original title of Chief of Staff aligns with established naming conventions used across both policy-focused and professional organizations, thereby improving internal clarity and external recognition of the position's function; and

*Whereas*, the change in this title will align better with ASUN's values of transparency, tradition, professionalism and student engagement by ensuring clarity in the Executive Branch's structure.

*Be it enacted*, that the position of Director of Executive Affairs shall be officially restored to the title of Chief of Staff and that this change shall be reflected wherever the title may appear in the Statutes of the Associated Students; and

*Be it further enacted*, the Director of Ethics and Compliance, the Committee on Government Operations, ASUN Professional Staff and the Secretaries of the Senate shall ensure that the changes made in this legislation are reflected in the Statutes of the Students, other governing documents, and the ASUN Website.

*Be it further enacted*, that a copy of this bill will be sent to:
