[DISCUSSION DRAFT]

93rd SESSION
2025-2026

S.B.R. 93 -
A BINDING RESOLUTION TO DEFINE THE
DUTIES AND LIAISON POSITIONS OF THE
SPECIAL COMMITTEE ON FOOD INSECURITY

IN THE SENATE OF THE ASSOCIATED STUDENTS

AUGUST 15TH, 2025

SUBMITTED TO THE SENATE OF THE ASSOCIATED STUDENTS BY SENATOR SAPORITO AND PARLIAMENTARIAN ISSA

Whereas, special committees, while temporary in nature, operate under the procedural and structural framework established for standing committees, unless otherwise directed by the Senate or specified in their formation;

Whereas, in the latest version of the 92nd session Rules of The Senate, Rule X: Standing Committee Duties and Rule XI: Special Committees, there is no mention of the Special Committee on Food Insecurity or the liaison positions for the Special Committee on Food Insecurity;

Whereas, Special Committees often appear under special circumstances, and therefore are not common in nature within the student government;

Whereas, Special Committees serve an incredibly unique role within the student government;

Whereas, it is vital to communicate updates within the student government throughout its legal documents;

Whereas, it is vital to update both the student government and student body on the changes, revisions, or additions created from session-to-session;

Whereas, codifying the duties of the Special Committee within the Rules of the Senate will establish a uniformed understanding of the Committees goals, objectives, projects, and functions within the Student Government;

Whereas, codifying the duties of the Special Committee within the Rules of the Senate will ensure that clarity and transparency is prioritized to upcoming or newly-elected Senators who chose to join the Committee;

Whereas, codifying the duties of the Special Committee within the Rules of the Senate will ensure that upcoming ASUN Legislative Interns will not be confused by the development of

the Special Committee;

Whereas, any additions within the Rules of the Senate can later be edited/revised for a more accurate reading;

Whereas, an addition of subsection (c) will highlight the Duties of the Special Committee on Food Insecurity for the 93rd session;

Whereas, subsection (c) will clearly define the Special Committee on Food Insecurity;

Whereas, subsection (c) will define the Special Committee in a similar manner to the Committees established in Rule X: Standing Committee Duties;

Whereas, subsection (c) will offer a summary of the committee for the 93rd session;

Whereas, it is vital for subsection (c) to establish the vital liaison positions founded within the Special Committee;

Whereas, Pack Provisions serves as a vital on-campus resource in the fight against food insecurity, offering free access to nutritious food, hygiene products, and support services for all members of the University of Nevada, Reno community, and fostering a supportive and equitable learning environment;

Whereas, the Desert Farming Initiative plays a pivotal role in addressing food insecurity and promoting sustainable agriculture on campus and across the region, actively collaborating with Pack Provisions and other partners to increase access to fresh, locally grown produce while advancing education, research, and food sovereignty;

Whereas, the Food Bank of Northern Nevada provides critical support to more than 160,000 individuals each month through a vast network of community partnerships and direct service programs, representing a valuable and strategic ally for the Special Committee in addressing regional food insecurity and strengthening community well-being;

Whereas, Wolf Pack Meats, a key part of the University's Experiment Station, provides hands-on education in sustainable meat processing and supports regional food systems by offering locally sourced protein, creating opportunities for student training, academic research, and community food access;

Whereas, Residential Life is dedicated to fostering a comfortable, sustainable, and inclusive living environment for all scholars, while maintaining strong connections with the student body, campus facilities, faculty, and university administration to support student success and well-being;

Whereas, Pack Rides, the University of Nevada, Reno's student-run transportation service, plays a crucial role in promoting campus safety, accessibility, and student well-being by providing free, late-night rides and weekend retail shuttles, thereby reducing transportation barriers that may contribute to food insecurity and ensuring equitable access to essential resources for all students;

Whereas, since 1979, FISH has been a vital resource for rural Northern Nevada, providing over 460,000 Food Pantry meals annually and actively engaging with the Carson City community as well as local and state government to address hunger and support those in need;

Whereas, these liaison positions will uphold duties including but not limited to; student-related issues, outreach opportunities, and general marketing;

Whereas, one of the main priorities of the Special Committee during the 93rd Session regards consistently outreaching with organizations, both on and out of campus;

Whereas, these liaison positions will be heavily recommended to not only outreach and assist their direct contact over the 93rd session, but also communicate and outreach to other neighboring organizations/facilities/faculty;

Whereas, further suggested contacts will be established in the Contact Sheet displayed within the Special Committee Files located in the UNR Box;

Whereas, with the future of the Special Committee—whether removal, continuation, or transition to a Standing Committee—subject to Senate determination at the end of the 93rd Session, the current liaison language should be struck or revised ahead of the 94th Session;

Be it resolved by the Senate of Associated Students, that the 93rd session of Senate Rules reflect the addition of subsection (c), found in Addendum A;

Be it further resolved, that a copy of the legislation be sent to the following individuals:

FROM: Speaker Acklin

TO: Senator Taylor Moore

Date: August 6th, 2025

RE: Censure for August 11th, 2025 Meeting

Dear Senator Moore,

I am writing to formally inform you that, pursuant to the 93rd Session Senate Rules of the Associated Students, I have found reasonable cause to initiate the censure process. This is due to your accumulation of six (6) attendance points over the course of the summer.

Specifically, you were absent from the following Senate meetings:

- June 11th
- July 9th
- July 30th

Each unexcused absence results in two (2) points, bringing your total to six (6) points. This exceeds the five-point threshold which, in accordance with **Rule II(f)**, requires a formal censure process.

Per **Rule II – Membership of the Senate, subsection (f) Attendance and Accountability:**

(2) The Committee on Oversight shall conduct a hearing once a senator has accumulated five (5) points. At this hearing, the senator shall have the opportunity to present oral or written testimony regarding their absences. The Committee will determine whether the absences warrant disciplinary action and may excuse points if a reasonable explanation is provided.

Accordingly, the **Committee on Oversight will hold a hearing on Monday, August 11, 2025, at 1:30 PM** in the **Frankie Sue Del Papa Conference Room**. You are encouraged to attend and present any testimony or documentation regarding your absences.

Please let me know if you have any questions or need further clarification.
