A RESOLUTION URGING CLARIFICATION FOR ENVIRONMENTALLY CAUSED ABSENCES

IN THE SENATE OF THE ASSOCIATED STUDENTS

9/29/2026

SUBMITTED TO THE SENATE OF THE ASSOCIATED STUDENTS BY SENATOR GIAMMONA WILBER

Whereas, environmental factors shall include snow and ice (when plows are needed/being used in the area), fire (when structures are being threatened), smoke (when the Air Quality Index exceeds the number 200 in the area, or 125 if a student has documented respiratory issues), extreme heat (when the temperature is reported at over 105 degrees Fahrenheit), flooding (when roads or areas of buildings are submerged by standing water), or road closures (clarified by the City of Reno and/or the Nevada Department of Transportation);

Whereas, conditions vary across the greater Reno-Sparks area, and the current environment at the University of Nevada, Reno campus does not accurately reflect current conditions in other areas;

Whereas, approximately 81% of University of Nevada, Reno students and over 99% of faculty live off campus and commute to campus for school or work¹;

Whereas, students who do not live on campus likely have to commute to campus via car, public transportation, or by other means along local roadways;

Whereas, students commuting via roadways from all around the greater Reno area are subject to the conditions of those roadways;

Whereas, the University of Nevada, Reno has seen backlash when not closing campus on days where environmental factors affected many students, such as during the winter storms in late 2024 and early 2025 and the Hawk Fire at the beginning of the 2026-2027 academic year;

Whereas, the Hawk Fire burned at least 30 structures including homes in the Stead area of Reno, north of the University of Nevada, Reno's campus²;

Be it resolved, that the University of Nevada, Reno, and its faculty are urged to not charge students unexcused absences, per individual attendance policies, for classes they are unable to attend due to environmentally related factors.

RE: Request to Fast-Track S.B. 94.51 - A Resolution to Establish NevadaCARES as the Designated Confidential Advocacy Resource Center on Campus

Dear Speaker Issa and Esteemed Senators,

We are writing to request that *S.R. 94.51 - A Resolution to Establish NevadaCARES as the Designated Confidential Advocacy Resource Center on Campus* be fast-tracked for immediate consideration.

This resolution's goal is to solidify NevadaCARES standing within the University, and to ensure that they can continue their work, which is crucial to the safety of our campus. It is vital that this resolution be passed immediately due to the fact that NevadaCARES is at significant risk of being dismantled by the University's Director for the Center for Civil Rights and Equal Access and the Vice Provost of Faculty Affairs.

Due to the fact that NevadaCARES provides help found at no other location on campus, we strongly oppose anything threatening its existence. Additionally, this piece helps further clarify the abilities of NevadaCARES for students and staff at the University, limiting confusion surrounding their role within the University. By passing this piece, NevadaCARES will be able to continue business as normal without opposition from other organizations on campus.

Fast-tracking this piece would allow the Senate to establish its position with NevadaCARES. The resolution supports NevadaCARES and urges this organization to be considered the confidential advocacy resource center on campus.

We believe committee review is not necessary for this piece due to the outstanding importance and urgency that it be passed, and believe that a more than satisfactory amount of drafting and review have been completed in the process of creating this piece. We welcome questions and amendments from members of the Senate, and this request is not meant to limit deliberation of any sort; rather, it is to ensure that a beloved campus resource remains capable of carrying out its duties.

We believe this resolution provides an opportunity to reinforce our complete support for NevadaCARES's advocacy structure and students in a way beyond that which has previously been done.

We appreciate your consideration.

Respectfully,

Senator Williams & Senator Cain

Associated Students of the University of Nevada

94th SESSION
2026-2027

S.R. 94.51 -
A RESOLUTION TO ESTABLISH
NEVADACARES AS THE DESIGNATED
CONFIDENTIAL ADVOCACY RESOURCE
CENTER ON CAMPUS

IN THE SENATE OF THE ASSOCIATED STUDENTS

SEPTEMBER 28TH. 2026

SUBMITTED TO THE SENATE OF THE ASSOCIATED STUDENTS BY SENATOR WILLIAMS AND SENATOR CAIN

Whereas, NevadaCARES has existed as a program on the Campus of the University of Nevada, Reno since 2015, has been an advocacy center since 2022, and has provided confidential advocacy services to people impacted by sexual assault, stalking, relationship and power based violence; and

Whereas, power-based violence is defined as any form of interpersonal violence that is intended to control, harm, or intimidate another person; and

Whereas, power-based violence includes, but is not limited to, domestic violence, family violence, dating violence, gender-based violence, violence based on sexual orientation or gender identity or expression, sexual assault, sexual harassment, sexual exploitation, stalking, and/or voyeurism; and

Whereas, The Task Force on Power-Based Violence at Institutions of Higher Education was created and passed into law during the 82nd (2023) Nevada Legislative Session through the signing of Assembly Bill 245 that became effective in July 1, 2023; and

Whereas, The Task Force is comprised of the NSHE Chancellor and fifteen members appointed by the Board of Regents, who represent NSHE Institutions; and

Whereas, the University of Nevada, Reno does not have a formal designated confidential advocacy victim center as is required by the Nevada System of Higher Education through NRS 396.147 and NRS 396.148; and

Whereas, NRS 396.147 authorizes the Board of Regents to require an NSHE institution to enter into a memorandum of understanding with an organization that assists people affected by power-based violence;¹ and

¹ Nevada Revised Statutes § 396.147 — Memorandum of understanding with organization that assists persons involved in power-based violence

Whereas, NRS 396.148 authorizes the Board of Regents to Require an NSHE institution to designate a formal advocate for power-based violence and addresses training of advocates who assist individuals affected by power-based violence;² and

Whereas, such a designated advocate does not need to be a Title IX coordinator, member of campus police, law enforcement, or any other official of the institution who is authorized to initiate a disciplinary proceeding on behalf of the institution; and

Whereas, The University of Nevada, Reno lists NevadaCARES in its list of resources related to Title IX on its official website;³ and

Whereas, NevadaCARES currently receives nearly all of its funding from grants and not from the University of Nevada, Reno or Nevada System of Higher Education; and

Whereas, NevadaCARES is not officially recognized as the official confidential advocacy resource center of the University of Nevada, Reno; and

Whereas, NevadaCARES provides victim advocacy to students including: informing a student or employee of, or providing resources about how to obtain information on options of how to report an alleged incident of power-based violence and the effects of each option, notifying individuals of counseling services available on a campus and through local community resources, and the availability of supportive measures, notify the student or employee of his or her rights and the responsibilities of the institution regarding an order for protection, restraining order or injunction issued by a court; and

Whereas, NevadaCARES is not required to report an alleged incident of power-based violence to the institution or a law enforcement agency unless otherwise required by state or federal law so that they may provide confidential services to students and employees, not to

² Nevada Revised Statutes § 396.148 — Designation of advocate

provide confidential services to more than one party in a grievance process, and not disclose confidential information without the prior written consent of the student or employee who shared the information; and

Whereas, NevadaCARES may also support a complainant or respondent in obtaining supportive measures to ensure the complainant or respondent has continued access to education; and inform a student or employee that supportive measures may be available through disability services or the Title IX coordinator.

Whereas, the advocate may, if requested by a student, contact any professors to request informal academic support, with the written consent of the student; and

Whereas, the advocate may, if appropriate and if directed by a student or employee, assist the student or employee in reporting an alleged incident of power-based violence to the institution or a law enforcement agency; and

Whereas, the advocate may attend a disciplinary proceeding of the institution as the advisor or support person of a complainant; and

Whereas, if a conflict of interest arises between the institution within the system which designated an advocate and the advocate in advocating for the provision of supportive measures by the institution to a complainant or a respondent, the institution shall not discipline, penalize or otherwise retaliate against the advocate for advocating for the complainant or the respondent; and

Whereas, sexual misconduct reported to Title IX and the Center for Civil Rights & Equal Access would not be confidential and therefore would be able to be shared; and

Whereas, NevadaCARES provides confidential advocacy to students, protecting their privacy; and

Whereas, confidential reporting lessens the fear of retaliation for victims, and can eliminate this fear, therefore, making victims more comfortable to report; and

Whereas, the 2019 Association of American Universities Campus Climate Survey, as summarized by the Rape, Abuse, and Incest National Network (RAINN), found that only 30 percent of women and 18 percent of men who experienced rape received help from a campus program or resource, showing the importance of access to appropriate support services;⁴ and

Whereas, the same survey found that only 37 percent of students felt confident in their knowledge of where to find help for sexual assault, 32 percent felt confident in reporting sexual assault, and only 45 percent of victimized students felt that sexual assault was taken seriously on their campus; and

Whereas, confidential resource centers like NevadaCARES remove the stigma, shame, and embarrassment associated with reporting sexual or power based violence; and

Whereas, confidential resource centers may be an important database of information should a victimized individual decide to begin an official investigation and give their consent for information to be shared; now, therefore,

***THE STUDENTS OF THE UNIVERSITY OF NEVADA REPRESENTED IN THE
SENATE, ARE RESOLVED AS FOLLOWS:***

Be it resolved, that the Associated Students of the University of Nevada recognizes the need for confidential victim advocacy resources located on campus; and

Be it further resolved, that the Associated Students of the University of Nevada stand in unwavering support for the services, support, and advocacy that NevadaCARES provides, and recognizes NevadaCARES as an integral part of campus safety and support; and
